This is a Section 65 approved fund under the Collective Investment Schemes Control Act 45, 2002 (CISCA). Prescient Management Company (RF) (Pty) Ltd. is the South African Representative Office for this fund. The information to follow does not constitute financial advice as contemplated in terms of the South African Financial Advisory and Intermediary Services Act.

Use or rely on this information at your own risk. Independent professional financial advice should always be sought before making an investment decision, not all investments are suitable for all investors.

Collective Investment Schemes in Securities (CIS) should be considered as medium to long-term investments. The value may go up as well as down and past performance is not necessarily a guide to future performance. CISs are traded at the ruling price and can engage in scrip lending and borrowing. A schedule of fees, charges and maximum commissions is available on request from the Manager. A CIS may be closed to new investors in order for it to be managed more efficiently in accordance with its mandate. There is no guarantee in respect of capital or returns in a portfolio. Performance has been calculated using net NAV to NAV numbers with income reinvested. The performance for each period shown reflects the return for investors who have been fully invested for that period. Individual investor performance may differ as a result of initial fees, the actual investment date, the date of reinvestments and dividend withholding tax. Full performance calculations are available from the manager on request. Where foreign securities are included in a portfolio there may be potential constraints on liquidity and the repatriation of funds, macroeconomic risks, political risks, foreign exchange risks, tax risks, settlement risks; and potential limitations on the availability of market information. The investor acknowledges the inherent risk associated with the selected investments and that there are no guarantees. Annualised performance shows longer term performance rescaled to a 1-year period. Annualised performance is the average return per year over the period. Actual annual figures are available to the investor on request. Highest and lowest returns for any 1 year over the period since inception have been shown. NAV is the net asset value represents the assets of a Fund less its liabilities. Representative Office: Prescient Management Company (RF) (Pty) Ltd is registered and approved under the Collective Investment Schemes Control Act (No.45 of 2002).
